Dear Dr. Lederberg:

I wish to acknowledge receipt of your letter of April 15 concerning the arrangements for the dedication program of the Institute of Microbiology.

I find that the formal invitations have been mailed, and, while it is addressed to you, we are certainly looking forward to having your wife with you as our guest. Please indicate the fact that she will be with you on the return reply card enclosed with the formal invitation so that there will be no chance of an oversight in this matter.

I look forward to seeing you again in June.

Sincerely,

Selman A. Waksman
